for more details please visit our website:
www.hags.com

We are keen to see the safe reopening of all outdoor recreational facilities, including playground and fitness areas.

To help support this objective HAGS is pleased to offer the Handsafe dispenser, which is suitable for all commonly available liquids and gels.

- Comes with pictorial, language free signage
- Foot operated
- Outdoor specification
- Social distancing sign
- Easy to refill
- Easy to install
- Radiused edges
- 5L capacity

We recommend the sanitiser dispenser is installed in a suitable position, close to the main entrance/exit of the facility, and away from the user activity areas.

Please note: Supplied fully assembled, for bolting to concrete base or steel mounting lug. (fixing bolts or lug not supplied, with unit as standard)
