EN1176

ASTM F1487

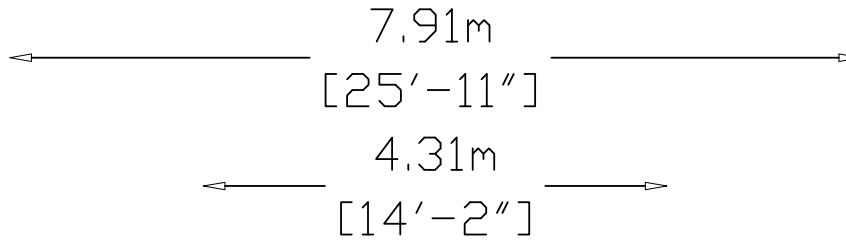

<p>INSTALL 101</p>	<p>WARNING Playground equipment should not have surfaces that are excessively slippery, splintered, or that have sharp edges. Check for hot surfaces before allowing children to play. Children should wear appropriate shoes at all times.</p>	<p>play smart® rules Do not play on broken or damaged equipment. Report it. Do not play without adequate safety surfacing under and around equipment. No talking, vomiting or diarrhoea should be seen while on equipment. Do not play on or run on playground equipment and its structures off of equipment. Watch your head! Do not run, climb, swing, slide, rotate, or spin. Do not play on swings or on equipment that is on top of or next to trees. Slide sitting down, feet first, and one at a time. Do not slide up slides or ladders.</p>
	<p>WARNING Children are required to use stairs and ladders caught on slides and other playground equipment. Before allowing children to play, verify that stairs, ladders, handrails, and slides are connected through the slats. Also, verify they are secure, sturdy, and have handrails as required. All playground equipment and rubber surfacing must be inspected for safety before allowing children to play. Children should wear appropriate shoes at all times.</p>	<p>WARNING Playground equipment should not have surfaces that are excessively slippery, splintered, or that have sharp edges. Check for hot surfaces before allowing children to play. Children should wear appropriate shoes at all times.</p>
